**Acanthamoeba Keratitis**
- Acanthamoeba Keratitis. Information from the Eye Care Trust.

**Adie's Pupil**
- Adie's Pupil. Information from the Eye Care Trust.

**Age Related Macular Degeneration**
- Age Related Macular Degeneration. Information from patient.info.
- Age-related macular degeneration. Information from the Macular Society.
- Age Related Macular Degeneration - Overview. Information from the AMD Alliance International.
- Understanding Age-related Macular Degeneration. The Royal College of Ophthalmologists.
- Macular Degeneration. Information from the College of Optometrists.
- Age Related Macular Degeneration. Information from the Royal National Institute of Blind People (RNIB).
- Anti VEGF treatment for wet AMD. Information from The Royal National Institute of Blind People (RNIB).
- Macular Degeneration. Information from NHS Choices.
- Macular translocation with 360° retinotomy for wet age related macular degeneration. A patient guide to complement the NICE guideline of the same name for health professionals.
- Transpupillary Thermotherapy for Age-Related Macular Degeneration. A patient guide to complement the NICE guideline of the same name for health professionals.
- Implantation of Lens Systems for Advanced Age-Related Macular Degeneration. A patient guide to complement the NICE guideline of the same name for health professionals.
- Macular Degeneration (age-related) - Ranibizumab and Pegaptanib. A patient guide to complement the NICE guideline of the same name for health professionals.

Amblyopia (Lazy Eye)
- Amblyopia. Information from patient.info.
- Amblyopia. Information from NHS Choices.
- Amblyopia. Information from emc Medicine Guides.

Angioid Streaks and PXE
- Angioid Streaks and PXE. Information from the Eye Care Trust.

Aniridia
- Aniridia. Information from the Aniridia Network.
- Aniridia. Information from the Royal National Institute of Blind People (RNIB).

Anophthalmia and Microphthalmia
- Anophthalmia and Microphthalmia. Information from the Eye Care Trust.
- Anophthalmia. Information from The Micro and Anophthalmic Children's Society.
- Microphthalmia. Information from The Micro and Anophthalmic Children's Society.

Astigmatism
- Astigmatism. Information from patient.info.
- Astigmatism. Information from NHS Choices.

Azoor
- Azoor. Information from the Eye Care Trust.

Best's Disease
- Best's Disease. Information from the Royal National Institute of Blind People (RNIB).

Blepharitis
- Blepharitis. Information from patient.info.
- Eyelid Problems. Information from the College of Optometrists.
- Blepharitis. Information from NHS Choices.

Bulging Eye (Keratoconus)
- What is keratoconus? Information from the UK Keratoconus Self Help and Support Group.
- Corneal implants for keratoconus. A patient guide to complement the NICE guideline of the same name for health professionals.
• Photochemical corneal collagen cross-linkage using riboflavin and ultraviolet A for keratoconus. A patient guide to complement the NICE guideline of the same name for health professionals.

Cataracts
• Cataracts. Information from patient.info.
• Cataract Surgery - Questions. Information from the Royal College of Ophthalmologists.
• Understanding Cataracts. Information from the Royal College of Ophthalmologists.
• Congenital Cataracts. Information from the Royal College of Optometrists.
• Cataracts. Information from the Royal National Institute of Blind People (RNIB).
• Laser surgery following cataract operations. Information from the Royal National Institute of Blind People (RNIB).
• Cataracts, Age Related. Information from NHS Choices.
• Cataract surgery. Information from NHS Choices.
• Cataracts, childhood. Information from NHS Choices.
• Implantation of accommodating intraocular lenses for cataract. A patient guide to complement the NICE guideline of the same name for health professionals.
• Implantation of multifocal (non-accommodative) intraocular lenses during cataract surgery. A patient guide to complement the NICE guideline of the same name for health professionals.

Chalazions (Meibomian Cyst)
• Chalazions. Information from patient.info.
• Chalazions. Information from BBC Health.

Charles Bonnet Syndrome
• Understanding Charles Bonnet Syndrome. Information from the Royal College of Ophthalmologists.
• Charles Bonnet Syndrome. Information from the Royal National Institute of Blind People (RNIB).

Coat’s Disease
• Coat’s Disease. Information from the Royal National Institute of Blind People (RNIB).

Coloboma
• Coloboma. Information from the Royal National Institute of Blind People (RNIB).
• Coloboma. Information from The Micro and Anophthalmic Children’s Society.

Colour Vision Deficiency
• Colour Vision Deficiency. Information from the Eye Care Trust.
• Colour Vision Deficiency. Information from NHS Choices.

Conjunctivitis - allergic
• Conjunctivitis - allergic. Information from patient.info.
• Conjunctivitis. Information from BBC Health.
• Conjunctivitis - allergic. Information from NHS Choices.
• Conjunctivitis. Information from emc Medicine Guides.

Conjunctivitis - infective
• Conjunctivitis - infective. Information from patient.info.
• Conjunctivitis. Information from BBC Health.
• Conjunctivitis - infective. Information from NHS Choices.
• Conjunctivitis. Information from emc Medicine Guides.

Contact Lenses
• Consumer information about contact lenses. Comprehensive information from the British Contact Lens Association.
Corneal Disease
- Corneal Disease. Information from the Royal College of Ophthalmologists.

Corneal Dystrophies
- Corneal Dystrophy. Information from the Eye Care Trust.
- Corneal Dystrophies. Information from the Royal National Institute of Blind People (RNIB).

Corneal Transplant
- Corneal Transplantation. Information from the Royal National Institute of Blind People (RNIB).
- Cornea Transplant. Information from NHS Choices.

Dancing Eye Syndrome

Diabetic Retinopathy
- Diabetic Retinopathy. Information from patient.info.
- Understanding Eye Conditions Related to Diabetes. Information from the Royal College of Ophthalmologists.
- Diabetes-related eye conditions. Information from the Royal National Institute of Blind People (RNIB).
- Diabetic Retinopathy. Information from NHS Choices.

Diplopia (Double Vision)
- Double Vision. Information from the Eye Care Trust.
- Double vision. Information from NHS Choices.

Drooping Eyelid (Ptosis)
- Ptosis. Information from the Eye Care Trust.

Drusen
- Drusen. Information from the Eye Care Trust.

Dry Eyes (Keratoconjunctivitis Sicca)
- Dry Eyes. Information from patient.info.
- Understanding Dry Eye. Information from the Royal College of Ophthalmologists.
- Dry Eye. Information from the Royal National Institute of Blind People (RNIB).
- Dry Eye Syndrome. Information from NHS Choices.
- Dry eyes. Information from emc Medicine Guides.

Ectropion
- Ectropion. Information from patient.info.
- Ectropion. Information from NHS Choices.

Entropion
- Entropion. Information from patient.info.
- Entropion. Information from the Eye Care Trust.

Enucleation (Removal of Eye)
- After Removal of an Eye. Information from Cancer Research UK.

Epiphora (Watery Eyes)
- Watering Eyes. Information from patient.info.
- Watering Eyes. Information from NHS Choices.
Episcleritis
- Episcleritis. Information from the Eye Care Trust.
- Episcleritis. Information from BBC Health.

Floaters
- Floaters and Flashes. Information from the College of Optometrists.
- Spots, Floaters and Flashes. Information from the Eye Care Trust.
- Floaters. Information from NHS Choices.

Fuchs Dystrophy
- Fuchs Dystrophy. Information from the Eye Care Trust.
- Fuchs Dystrophy. Information from Fuchs Friends UK.

Giant Cell Arteritis (Temporal Arteritis)
- Giant Cell Arteritis. Information from patient.info.
- Giant Cell or Temporal Arteritis. Information from the Royal National Institute of Blind People (RNIB).

Glaucoma
- Chronic Open Angle Glaucoma. Information from patient.info.
- Glaucoma. Information from the Royal College of Ophthalmologists.
- Understanding Glaucoma. Information from the Royal College of Ophthalmologists.
- Congenital Glaucoma. Information from the Royal College of Ophthalmologists.
- Glaucoma. Information from the Royal National Institute of Blind People (RNIB).
- Glaucoma. Information from NHS Choices.
- Glaucoma overview. NICE pathway for glaucoma.
- Glaucoma. A patient guide to complement the NICE guideline of the same name for health professionals.
- Canaloplasty for Primary Open-Angle Glaucoma. A patient guide to complement the NICE guideline of the same name for health professionals.
- Trabecular stent bypass micro-surgery for open angle glaucoma. A patient guide to complement the NICE guideline of the same name for health professionals.
- Trabeculotomy ab interno for open angle glaucoma. A patient guide to complement the NICE guideline of the same name for health professionals.
- Glaucoma. Information from emc Medicine Guides.

Grave's Disease - Eye (Thyroid Eye Disease)
- Thyroid Eye Disease. Information from patient.info.
- Thyroid Eye Disease. Information from the Eye Care Trust.
- Thyroid Eye Disease. Information from the Royal National Institute of Blind People (RNIB).
- Exophthalmos. Information from NHS Choices.
- Retrobulbar irradiation for thyroid eye disease. A patient guide to complement the NICE guideline of the same name for health professionals.

Herpes Simplex Eye Infection
- Herpes Simplex Eye Infection. Information from patient.info.
- Herpes Simplex Infection. Information from the Eye Care Trust.
- Herpes simplex eye infections. Information from NHS Choices.

Hypermetropia (Long-sightedness) / Presbyopia (Age-related Long-sightedness)
- Presbyopia - Age-related Long Sight. Information from patient.info.
- Farsightedness. Information from the Eye Care Trust.
- Presbyopia. Information from the Eye Care Trust.
- Long-sightedness. Information from NHS Choices.
Iritis and Uveitis
- Uveitis and Iritis. Information from patient.info.
- Uveitis. Information from the Royal National Institute of Blind People (RNIB).
- Uveitis Information for Patients. Information from the Uveitis Information Group.
- Birdshot Chorioretinopathy (chronic posterior uveitis). Information from the Birdshot Uveitis Society.
- What is PIC (punctate inner choroidopathy). Information from PIC Society (associated with the Uveitis Information Group).
- Uveitis. Information from NHS Choices.

Keratoconjunctivitis Sicca (Dry Eyes)
- Dry Eyes. Information from patient.info.
- Understanding Dry Eye. Information from the Royal College of Ophthalmologists.
- Dry Eye. Information from the Royal National Institute of Blind People (RNIB).
- Dry Eye Syndrome. Information from NHS Choices.
- Dry eyes. Information from emc Medicine Guides.

Keratoconus (Bulging Eye)
- What is keratoconus?. Information from the UK Keratoconus Self Help and Support Group.
- Corneal implants for keratoconus. A patient guide to complement the NICE guideline of the same name for health professionals.
- Photochemical corneal collagen cross-linkage using riboflavin and ultraviolet A for keratoconus. A patient guide to complement the NICE guideline of the same name for health professionals.

Lattice Degeneration
- Lattice Degeneration. Information from the Eye Care Trust.

Laser Refractive Surgery
- Excimer Laser Refractive Surgery. Information from the Royal College of Ophthalmologists.
- Laser Refractive Surgery. Information from the Royal College of Ophthalmologists.

Lazy Eye (Amblyopia)
- Amblyopia. Information from patient.info..
- Amblyopia. Information from NHS Choices.
- Amblyopia. Information from emc Medicine Guides.

Light Sensitivity
- Photophobia. Information from the Eye Care Trust.

Long-sightedness (Hypermetropia/Presbyopia)
- Presbyopia. Information from patient.info.
- Farsightedness. Information from the Eye Care Trust.
- Presbyopia. Information from the Eye Care Trust.
- Long-sightedness. Information from NHS Choices.

Macular Degeneration (Age Related)
- Age Related Macular Degeneration. Information from patient.info.
- Age-realted macular degeneration. Information from the Macular Society.
- Age Related Macular Degeneration - Overview. Information from the AMD Alliance International.
- Understanding Age-related Macular Degeneration. The Royal College of Ophthalmologists.
- Macular Degeneration. Information from the College of Optometrists..
- Age Related Macular Degeneration. Information from the Royal National Institute of Blind People (RNIB).
• Anti VEGF treatment for wet AMD. Information from The Royal National Institute of Blind People (RNIB).
• Macular Degeneration. Information from NHS Choices.
• Macular translocation with 360° retinotomy for wet age related macular degeneration. A patient guide to complement the NICE guideline of the same name for health professionals.
• Transpupillary Thermotherapy for Age-Related Macular Degeneration. A patient guide to complement the NICE guideline of the same name for health professionals.
• Implantation of Lens Systems for Advanced Age-Related Macular Degeneration. A patient guide to complement the NICE guideline of the same name for health professionals.
• Macular Degeneration (age-related) - Ranibizumab and Pegaptanib. A patient guide to complement the NICE guideline of the same name for health professionals.
• Medicine Guide for Macular Degeneration. Information from emc Medicine Guides.

Macular Hole
• Macular Hole. Information from the Eye Care Trust.
• Macular Hole. Information from the Royal National Institute of Blind People (RNIB).

Meibomian Cyst (Chalazions)
• Chalazions. Information from patient.info.
• Chalazions. Information from BBC Health.

Microphthalmia and Anophthalmia
• Anophthalmia and Microphthalmia. Information from the Eye Care Trust.
• Microphthalmia. Information from The Micro and Anophthalmic Children’s Society.

Myopia (Short-Sightedness)
• Myopia. Information from patient.info.
• High Degree Myopia. Information from the Royal National Institute of Blind People (RNIB).
• Myopia. Information from NHS Choices.

Nystagmus
• What is Nystagmus? Information from the Nystagmus Network.
• What is nystagmus? Information from nystagmus.co.uk.
• Understanding Nystagmus. Information from the Royal College of Ophthalmologists.
• Nystagmus. Information from the Eye Care Trust.
• Nystagmus. Information from the Royal National Institute of Blind People (RNIB).
• Tenotomy of Horizontal Eye Muscles for Nystagmus (with reattachment at their original insertions). A patient guide to complement the NICE guideline of the same name for health professionals.

Photophobia (Light Sensitivity)
• Photophobia. Information from the Eye Care Trust.
• Light sensitivity - photophobia. Information from the Royal National Institute of Blind People (RNIB).

Posterior Vitreous Detachment
• Understanding Posterior Vitreous Detachment. Information from the Royal College of Ophthalmologists.
• Posterior Vitreous Detachment. Information from the Eye Care Trust.
• Posterior Vitreous Detachment. Information from the Royal National Institute of Blind People (RNIB).

Presbyopia (Age-related Long-sightedness) / Hypermetropia (Long-sightedness)
• Long Sight - Hypermetropia. Information from patient.info.
• Presbyopia - Age-related Long Sight. Information from patient.info.
• Farsightedness. Information from the Eye Care Trust.
• Presbyopia. Information from the Eye Care Trust.
• Long-sightedness. Information from NHS Choices.
Ptosis (Drooping Eyelid)
- Ptosis. Information from the Eye Care Trust.

Removal of Eye (Enucleation)
- After Removal of an Eye. Information from Cancer Research UK.

Retinal Detachment
- Retinal Detachment. Information from patient.info.
- Understanding Retinal Detachment. Information from the Royal College of Ophthalmologists.
- Retinal Detachment. Information from the Royal National Institute of Blind People (RNIB).
- Retinal Detachment. Information from NHS Choices.

Retinal Vessel Occlusion
- Retinal Vessel Occlusion. Information from the Royal National Institute of Blind People (RNIB).
- Arteriovenous Crossing Sheathotomy for Branch Retinal Vein Occlusion. A patient guide to complement the NICE guideline of the same name for health professionals.
- Macular Oedema (retinal vein occlusion) - dexamethasone. A patient guide to complement the NICE national guideline of the same name for health professionals.

Retinitis Pigmentosa
- About RP. Information from the British Retinitis Pigmentosa Society.
- Under Retinitis Pigmentosa. Information from the Royal College of Ophthalmologists.
- Retinitis Pigmentosa. Information from the Eye Care Trust.
- Retinitis Pigmentosa. Information from the Royal National Institute of Blind People (RNIB).

Retinopathy - Diabetic
- Diabetic Retinopathy. Information from patient.info.
- Diabetes-related eye conditions. Information from the Royal National Institute of Blind People (RNIB).
- Diabetic Retinopathy. Information from NHS Choices.

Retinopathy - Solar
- Solar Retinopathy. Information from the Eye Care Trust.

Retinopathy of Prematurity
- Retinopathy of Prematurity. Information from the Royal College of Ophthalmologists.
- Retinopathy of Prematurity. Information from the Royal National Institute of Blind People (RNIB).

Short-sightedness (Myopia)
- Myopia. Information from patient.info.
- High Degree Myopia. Information from the Royal National Institute of Blind People (RNIB).
- Myopia. Information from NHS Choices.

Solar Retinopathy
- Solar Retinopathy. Information from the Eye Care Trust.

Squint
- Squint (Strabismus) in Children. Information from patient.info.
- Squint. Information from the Royal College of Ophthalmologists.
- Types of Squint. Information from the Squint Clinic.
- Squint in Childhood. Information from the Royal National Institute of Blind People (RNIB).
- Squint. Information from NHS Choices.

Stargardt's Disease
- Stargardt's Disease. Information from the Royal National Institute of Blind People (RNIB).
Stye
- Stye. Information from patient.info.
- Stye. Information from NHS Choices.

Subconjunctival Haemorrhage
- Subconjunctival Haemorrhage. Information from patient.info.

Temporal Arteritis (Giant Cell Arteritis)
- Giant Cell Arteritis. Information from patient.info.
- Giant Cell or Temporal Arteritis. Information from the Royal National Institute of Blind People (RNIB).

Thyroid Eye Disease (Grave's Disease - Eye)
- Thyroid Eye Disease. Information from patient.info.
- Thyroid Eye Disease. Information from the Eye Care Trust.
- Thyroid Eye Disease. Information from the Royal National Institute of Blind People (RNIB).
- Exophthalmos. Information from NHS Choices.
- Retrobulbar irradiation for thyroid eye disease. A patient guide to complement the NICE guideline of the same name for health professionals

Uveitis and Iritis
- Uveitis and Iritis. Information from patient.info.
- Uveitis. Information from the Royal National Institute of Blind People (RNIB).
- Uveitis Information for Patients. Information from the Uveitis Information Group.
- Birdshot Chorioretinopathy (chronic posterior uveitis). Information from the Birdshot Uveitis Society.
- What is PIC (punctate inner choroidopathy). Information from PIC Society (associated with the Uveitis Information Group).
- Uveitis. Information from NHS Choices.

Watery Eyes (Epiphora)
- Watering Eyes. Information from patient.info.
- Watering Eyes. Information from NHS Choices.
